

MEDIA RELEASE

NVST uses a variety of resources to help promote the team and the sport of swimming. These resources include, but are not limited to the following: local newspapers, brochures, fliers, website, Facebook, etc. At times, we use images of team members and their families. Please review the following options and choose and initial the option that best suits your family.

 Full permission is granted.

This may include, but is not limited to, team website, local papers and team publications, including team photo, brochures and fliers. This also includes other web media including the team's page on Facebook. *Children will not be identified except in the case of local newspaper articles.*

 Partial permission is granted.

This may include, but is not limited to, team website, local papers and team publications, including team photo, brochures and fliers. *Children will not be identified except in the case of local newspaper articles.*

 Permission is NOT granted.

My child and/or family's image may not be published on the team's website or in print media generated by and under control of NVST.
